

Value of  Program

Foodservice Management and Culinary Arts students will showcase their knowledge and skills at the

ProStart® Student Invitational  
February 25 – 26, 2010  
Sysco Food Services of Oklahoma, Norman

Make plans to attend the competition where restaurateurs around the state are beginning to recognize the program for the significance it provides to Oklahoma's foodservice industry. Training students for careers or continuing education in the management or culinary world, ProStart is a national program managed locally by the Oklahoma Restaurant Association and the Oklahoma Hospitality Foundation. With the program in 29 schools, involving 1000 students throughout the state, the association, foundation and partners play an integral role in the public education system.
